

Thank you everyone for the great time at Lynn's. Lots of fun Friday night with Mixed Doubles contest.

Eno Beach Shag Club

Great time in Durham with lots of great dancing. Lots of FUN!

Fat Harold's Beach Club

What a F-U-N Labor Weekend at Fat Harold's. The Mix Doubles contest was a splitting good time!

Getting to know our members and what shag means to them. Please feel free to reach out if you would like to write a short article about, “What shag means to you.”

Friendship. Fun. Health.

Friendship: Hanging out with a group of people who share a common interest. It doesn't matter what you do for a living, what your net worth is, where you live or how old you are. Shaggers come together somewhere every night in our communities and the bonds we share last a lifetime. We all look out and help each other in our daily lives forever.

Fun: Going to our local dance venues or contests is a lot of fun. The music is great and invokes memories of our youth for all of us. The chance to let go of stresses and be in the moment is what it is all about for me. Today becomes tomorrow's "Good Ol' Days"!

Health: The activity of dancing is great for memory and, more importantly, my memory. LOL! Movement is a great way to burn calories, rehab joints and strengthen our minds.

I look forward to seeing you on the dance floor soon!!!
